Subject : Request of Name Correction In Certificate of Incentive For Certificate no 202613385

Greetings,

We are writing to notify that the certificate we received on January 17th 2026, has a mistake in name of two of the share holders, we have noticed the below mistakes which may have been caused by system error

1. Bhai Investment Group – 26.79% - mentioned twice on the certificate, second name to be Rishen Dilipkumar Patel
2. Rishen Mukesh Ruparellia – Correct name is Roshni Mukesh Ruparellia

We have uploaded the recent breala search that has details of the current shareholders, kindly assist with ammendments.

Sincerely,

Roshni Mukesh Ruparellia
Company Secretary
