## RE: REQUEST FOR EXTENSION OF THE PROJECT

To whom it may concern,

Our company is registered with TISEZA with certificate number 20223703 issued on 15<sup>th</sup> March,2022 for manufacturing of the construction materials.

I am writing to request for the extension of the project for the next three years to continue enjoying tax incentives. For the past three years our company performed fairly well in utilization of the incentives.

I am requesting your office to send an extension letter to our email [info@mumangiconstruction.co.tz](mailto:info@mumangiconstruction.co.tz)

Thank you in advance for your assistance. I look forward to hearing from you soon.  
Best regards,

Nyangureta Mumangi Nyakirang'ani  
Managing Director
