Dear Sir,

RE: APPLICATION FOR EXTENSION OF CERTIFICATE OF INCENTIVES – MINING PROCESS (STONNES CRUSHING) PROJECT AT IHUMWA CHILWANA, DODOMA CITY.

I am writing to formally request an extension of the Certificate of Incentives granted to our primary mining project located at Ihumwa Chilwana in Dodoma City.

The project is currently ongoing and has made significant progress toward its implementation. However, it has not yet reached full completion within the initial timeframe covered by the Certificate of Incentives. In order to ensure the successful completion of all planned activities and to fully realize the intended investment benefits, additional time is required.

We remain fully committed to completing the project in accordance with the applicable regulations and agreed objectives. The extension of the Certificate of Incentives will enable us to continue with the remaining phases of the project smoothly and effectively.

In light of the above, we kindly request your office to grant an extension of the Certificate of Incentives for this project. We are ready to provide any additional information or documentation that may be required in support of this application.

We appreciate your continued support and cooperation, and we look forward to your favorable consideration.

Yours faithfully,

Lusubilo Barnabas

For: Managing Director.
