Dear Sir/Madam,

RE: REQUEST FOR PROJECT EXPANSION APPROVAL

We respectfully write on behalf of Auric Air Services Ltd to formally request approval from the Tanzania Investment Centre (TIC) for the expansion of our ongoing project.

Auric Air Services Ltd has been actively contributing to the aviation sector by providing reliable air transport services across various regions. In line with our strategic growth plans and in response to increasing demand, we intend to expand our operations to enhance service delivery, improve connectivity, and support economic development.

The proposed expansion will include the acquisition of additional aircraft, and the introduction of new routes. This initiative is expected to create employment opportunities, stimulate tourism, and strengthen regional trade.

We kindly request TIC's support and approval to proceed with this expansion. All necessary documentation will be submitted for your review as required.

We appreciate your continued support and cooperation in facilitating investment growth in Tanzania. Please do not hesitate to contact us should you require any further information or clarification.

Yours faithfully,

Sajjid Hussain
