**RE: FORMAL REQUEST FOR AMENDMENT/CORRECTION OF PROJECT
ACTIVITY DESCRIPTION.**

Refer to the heading above.

We write on behalf of **S3 INTERNATIONAL (T) LIMITED** to formally request for an amendment and correction of our project activity description as recorded in the Tanzania Investment and Special Economic Zone Authority (TISEZA) system and/or related registration documents.

Kindly be informed that, due to an inadvertent administrative error during submission of our project details, the project activity was mistakenly entered as "Alcoholic Beverages."

We hereby clarify that the correct and intended project activity for our investment is:
"MANUFACTURE OF PLASTIC PRODUCTS."

In view of the foregoing, we respectfully request your office to affect the necessary amendment by replacing the incorrectly captured activity with the correct activity stated above, in order to ensure that TIC records accurately reflect the nature of our registered investment project.

This request is made in good faith for purposes of compliance, accuracy of official records, and alignment with our actual business operations. We sincerely regret any inconvenience that may have been occasioned by this error.

We shall be grateful for your prompt attention and confirmation once the amendment has been affected.

Please find attached the relevant supporting documents for your consideration (where applicable).

Yours faithfully,
