RE: APPLICATION FOR AMENDMENT OF CERTIFICATE OF INCENTIVES NO. 040917

CETAWICO LTD is a wine production company which was formerly located in Hombolo Village, Dodoma Region. The company has since relocated its operations to Ntyuka Village, operating within the premises of the Dodoma Innovation and Production Company Ltd (DIPC), widely known as the former ASANTE Water Factory.

We, CETAWICO LTD, hereby write to request an amendment of our Certificate of Incentives Number 040917, to reflect recent changes in the company's shareholding structure.

The changes in shareholding have been duly registered with the Business Registrations and Licensing Agency (BRELA), as indicated in the attached BRELA Company Search. We kindly request that the Certificate of Incentives be updated in accordance with the current shareholding details as shown in the attached documents.

We therefore respectfully request your office to amend the Certificate of Incentives to reflect both the updated shareholding information and the current operational location of the company.

Thank you for your kind consideration.

Yours faithfully,

Fiorenzo Chesini
