**Subject: APPLICATION FOR EXPANSION OF CERTIFICATE OF INCENTIVES**

Dear Sir/Madam,

I am writing to formally apply for the expansion of our existing Certificate of Incentives issued by the Tanzania Investment Centre.

We are currently undertaking an investment project in the **manufacturing sector**, specifically in **rice milling and packaging**, located in Morogoro Region. Following the growth and positive performance of our operations, we intend to expand the project to include additional activities, particularly in **packaging materials and increased production capacity**.

The purpose of this expansion is to:

- Increase production capacity to meet rising market demand
- Improve efficiency and value addition in rice processing
- Create more employment opportunities for local communities
- Strengthen our contribution to the industrial sector in Tanzania

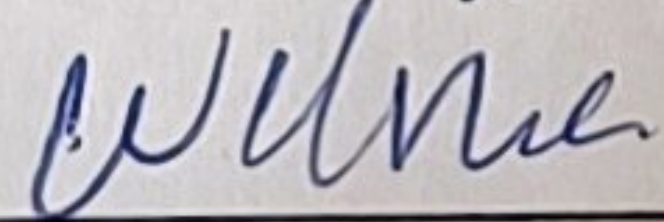

The project currently has an estimated investment value of **USD 600,144**, with both local and foreign financing participation. The expansion will further enhance the scale and impact of this investment.

We have attached the duly filled **Application Form for Expansion of Certificate of Incentives** along with all required supporting documents for your review and consideration.

We kindly request your office to process our application and grant approval for the expansion. We remain committed to complying with all TIC regulations and contributing positively to the economic development of Tanzania.

Thank you for your consideration.

Yours faithfully,
