RE: APPLICATION FOR CERTIFICATE OF INCENTIVESONS

We write to respectfully request certificate of incentives for motor vehicles to be imported by Mawibho S&D Beverages Limited to support our expanding logistics operations in Tanzania.

Mawibho S&D Beverages Limited has recently made significant investments in the logistics sector as part of our strategy to strengthen distribution networks and improve efficiency in the transportation of beverages and other goods across the country. As our operations continue to grow, the company requires a fleet of specialized vehicles to facilitate transportation, supply chain management, and nationwide delivery services.

In line with the incentives provided to investors under the Tanzania Investment Centre framework, we kindly request consideration for import duty relief on the vehicles to be imported from abroad for this purpose. The requested relief will enable the company to reduce operational costs and enhance the efficiency of logistics services, ultimately contributing to economic growth, employment creation, and improved supply chain infrastructure in Tanzania.

Mawibho S&D Beverages Limited remains committed to complying with all relevant regulations and requirements under the Tanzania Investment Act and other applicable laws. We are prepared to provide any additional documentation or information that may be required to facilitate the evaluation of this request.

We therefore humbly request the Tanzania Investment Centre to grant the necessary approval for certificate of incentives for the vehicles intended for our logistics operations.

We look forward to your positive consideration of our application.

Yours faithfully,

For: Mawibho S&D Beverages Limited
