The Director General
Tanzania Investment Special Economic Zones Authority (TISEZA)

Dear Sir/Madam,

REF: APPLICATION FOR AMENDMENT AND EXTENSION OF CERTIFICATE OF INCENTIVES (COI) FOR TWO YEARS

Kindly refer to the subject matter above.

M/s Yuntao International Company Limited registered its project with TISEZA in May 2022 for the manufacturing of automobile spare parts. The project was planned to commence in 2022; however, its implementation was delayed due to circumstances beyond the company's control.

The delay was mainly caused by the late acquisition of the Derivative Right, which was finally granted in October 2025. As a result, the company was unable to commence development within the validity period of the Certificate of Incentives, which expired in May 2025.

We hereby respectfully request TISEZA to amend and extend the Certificate of Incentives for a further period of two (2) years to enable the company to implement the project as originally approved.

We wish to confirm that the company is now fully prepared to commence the project and has already completed the architectural and engineering drawings, along with other necessary preparations.

We kindly request your favorable consideration of this application and look forward to your continued support.

Yours faithfully,

尤海涛
