**Dear Sir/Madam**

**RE: REQUEST FOR CHANGE OF PROJECT SITE LOCATION**

Reference is made to the matter above.

We are writing to formally request an amendment to the location of our intended project site as submitted in our previous application.

It has come to our attention that an error was made during the application process regarding the project site location. The initially submitted location was incorrectly stated as:

Dar es Salaam, Mbezi Juu, Mbezi Africana Road, Plot No. 3, Block P, House No. 5110.

We kindly request that this be corrected to reflect the intended and accurate project site location as follows:

Geita Region, Geita Municipality, Mpomvu Area, Block E, Plot Nos. 106–109.

We sincerely apologize for any inconvenience this error may have caused and kindly ask for your assistance in updating our application records accordingly. All other details of the project remain unchanged.

We appreciate your understanding and support, and we are available to provide any additional information or documentation required to facilitate this amendment.

Thank you for your cooperation.

Sincerely

FOR: JIXIANG TANZANIA MINING MACHINERY CO. LIMITED
