RE: APPLICATION FOR CERTIFICATE OF INCENTIVE

Make reference to the above heading

We are newly incorporated company with incorporation number 191950321 registered on 17.12.2026.

That our company looks forward to establish a leaching gold processing plant, that shall be built at Mwangiligili Village in Misungwi district within the region of Mwanza

The area we are intending to build the said plant is designated for small scale mining activities and have been issued with primary mining license.

That being the case our company intends to execute some technical support agreement with the owners of the primary mining license to provide technical support in form of mining machines, skills and establishment/building of processing gold leaching plant.

Therefore, to enable the successfulness of the project, our company seeks to be registered for certificate of incentive to eligible for some incentives.

That to prove the seriousness of the project the company has already purchased a piece of land from the villagers where it will build its plant

We are looking forward for positive response from your office

Yours
