**RE: INTRODUCTION LETTER – INTENT TO ESTABLISH A LUBRICANT MANUFACTURING FACTORY**

Dear Sir/Madam,

We hereby introduce our company, **Iddcon Investment Limited**, a Tanzanian-registered entity with the intention to invest in the manufacturing of lubricants, including automotive and industrial oils.

We aim to set up a state-of-the-art manufacturing facility within a recognized Special Economic Zone (SEZ), subject to approval and licensing by your esteemed office. The planned investment will contribute to local industrial growth, import substitution, job creation, and technology transfer.

We respectfully submit this letter to express our interest and to initiate the process of registration and engagement with TISEZA. We look forward to your guidance on the requirements and procedures to proceed with this investment.

Thank you for your consideration.

Yours faithfully,

Yakobo John-Finance Manager.
