Dear Sir

RE: APPLICATION FOR REGISTRATION TO TISEZA

Refer the heading above,
Sungura General Supplies Company Limited is the Tanzanian registered company with its head office at Hai-Kilimanjaro, the company is current doing input trading.

The company plans to engage in value chain of manufacturing packages like polybag and ropes, the machines for polybag manufacturing has been ordered while machines for rope manufacturing will be ordered after completing agreement with the manufactural. Our analysis shows that five years' implementation of this project will cost TZS 25,656,460,200.

The board of directors of Sungura general supplies company limited wishes to register the company to TISEZA in order to benefit with fiscal and non-fiscal incentives like,

- i. Zero Import duty on capital goods (Machineries, Trucks etc)
- ii. Zero import duty on raw materials (PP, MB Color, Karnavati Polyblends etc)
- iii. 75% Exemption of Import Duty relief on deemed capital goods
- iv. Depreciation allowance of 37.5%-5% depends on class of depreciated assets
- v. Automatic immigration quota to 10 expatriates during project implementation, and additional based on project size and other factors.
- vi. Access to Services Under the One Stop Facilitation Centre
- vii. Unconditional (Free Repatriation) Transferability of Funds etc

With this letter, Sungura General Supplies Company Limited apply for registration of our company to TISEZA. We hope, our application will be received and worked out, enclosed are all required documents as per checklist. Looking forward to hear from you.

Your faithful,

Gasper Reuben Ulomi,
Managing Director.
