RE: REQUEST TO APPLY FOR CERTIFICATE OF INCENTIVES

We, **GSG ENERGIES COMPANY LIMITED**, hereby submit our request to apply for a Certificate of Incentives for our proposed investment project titled:

Fuel Filling Station Project is located at Mbeya.

Our company is duly registered in the United Republic of Tanzania and is committed to investing in compliant, modern, and safe petroleum infrastructure that will support economic growth, job creation, and improved service delivery in the area.

In support of this request, we are prepared to submit all required documents as guided by your office, including company registration documents and business plan, and any other information needed to facilitate the evaluation process.

We kindly request your consideration and guidance on the next steps to complete the application and obtain the Certificate of Incentives.

Thank you very much for your cooperation and continued support.

Yours faithfully,

.....
