The Executive Director  
Tanzania Investment Centre (TIC)  
Dar es Salaam, Tanzania.

Dear Sir/Madam,

**RE: APPLICATION FOR AMENDMENT OF PLOT NUMBER IN THE CERTIFICATE OF INCENTIVES**

We refer to the Certificate of Incentives issued to **Viva Chem Industries Limited**, bearing TIC Certificate No. **2025113235**, and write to respectfully apply for an amendment of the **plot number** as reflected in the said certificate.

Following a review of our records and supporting land documents, we have noted that the plot number indicated in the Certificate of Incentives requires correction/amendment. The details are as follows:

- **Current Plot Number indicated:** Plot no 186,187,188,189 Block no B
- **Correct Plot Number:** Plot no 193 Block B
- **Location:** Rungemba Village, Mafinga Town Council, Mufindi, Iringa

We wish to further inform your office that **no development or operational activities have commenced on the plot**, as the project is **still at the construction and planning stage**. The requested amendment is therefore necessary to ensure that all project records and approvals remain accurate prior to commencement of any works.

The amendment is sought to ensure consistency with the official land documents and for accurate record-keeping with relevant government authorities.

We hereby attach copies of the supporting documents for your reference, including:

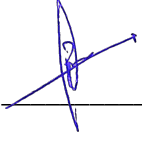

- Certificate of Incentives
- Title Deed / Right of Occupancy
- Any other relevant supporting documents

We kindly request your office to effect the above amendment at your earliest convenience.

We remain available to provide any further information or clarification that may be required.

Thank you for your continued support and cooperation.

Yours faithfully,

Prince Patel

Director, Viva Chem Industries Limited
