RE: APPLICATION FOR REGISTRATION OF CEMENT PLANT MANUFACTURING

Reference is made to the above heading

We are writing to formally request the registration of our cement plant manufacturing company which is to be located in Tanga region at Kange industrial Park, with the Trade and Industry Council (TISEZA). Our company is committed to complying with all relevant laws, regulations, and quality standards required for operating within the cement manufacturing sector.

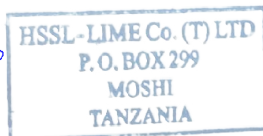

We believe that obtaining official registration from Tanzania Investment Special Economic Zone Authority, will enable us to operate transparently and contribute positively to industrial development, employment generation, and economic growth. We are fully prepared to submit all required documentation, certifications, and any additional information necessary to support this application.

Kindly consider our application and grant us approval for registration. We would highly appreciate your guidance on any further procedures or requirements to complete this process.

Thank you for your time and consideration.

Thank you in advance

Yours sincerely

=====
