**RE: APPLICATION FOR CERTIFICATE INCENTIVES**

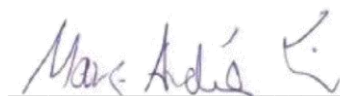

**BETRIEBSYSTEM COMPANY LIMITED** is a company registered in Tanzania under Certificate of Incorporation No. 190337367 on 21<sup>ST</sup> October 2025. The company is planning to invest in the project for ICT services and activities.

These activities involve developing, testing, and deploying microservices and integrated software solutions, alongside providing computer consultancy and facilities management to support efficient CI/CD deployment, GitHub collaboration, and testing environments. It will also offer data processing and hosting services through a distributed IT infrastructure that ensures secure authentication, data sovereignty, accessibility, and reduced storage and climate costs. In addition, the project will operate open web portals and a collaboration platform accessible across Tanzania and East Africa in both Kiswahili and English, aligned with the Sustainable Development Goals (SDGs) and international standards such as ISO 9001, with support from an international science network.

In order to achieve its investment objective and targets, the company requires a Certificate of Incentives for smooth project operations in Tanzania. Kindly find the following attachment in furtherance of our application.
