**RE: APPLICATION FOR REGISTRATION OF TANGATECH
ADMIXTURES (T) LIMITED PROJECT WITH TISEZA**

We, Tangatech Admixtures (T) Limited, hereby submit this application for the registration of our project with the Tanzania Investment Special Economic Zones Authority (TISEZA).

Tangatech Admixtures (T) Limited is a duly registered company in the United Republic of Tanzania, established to engage in the production and supply of construction chemical admixtures and related products for the construction and infrastructure sector. Our project aims to support industrial development, improve construction quality, and contribute to economic growth through local manufacturing and value addition.

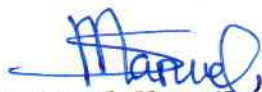

The company is located at Plot No. 6386, Minazi Mikinda Village, Ruvu Ward, Kibaha District of Pwani Region, where the proposed project will be implemented. Through this project, we intend to promote technology transfer, create employment opportunities, and enhance the availability of high-quality construction materials within Tanzania and the regional market.

We respectfully request TISEZA to consider our application and grant registration to enable us to benefit from the incentives and regulatory framework provided under the Special Economic Zones program. We are fully committed to complying with all applicable laws, regulations, and guidelines governing investment and operations within Tanzania.

Attached herewith are the required supporting documents for your review and consideration. Should you require any additional information or clarification, we shall be pleased to provide the same promptly.

We look forward to your favorable consideration.

Yours faithfully,

Samwel Chumile, Agent
