Dar es Salaam

Sub: Application for Amendment of Certificate of Incentive to Include New Shareholders & adjust shareholding of existing shareholders

Dear Sir,

We refer to the above subject.

We are glad to inform you that Saifee Hospital Tanzania Limited a registered company under TIC vide registration no. 022332, is operating successfully despite the challenges faced during the Pandemic in terms of mobilization of man-power and other resources.

During the set-up process, we also brought in some medical professionals into the shareholding to strengthen our service base, so that the best service could be provided to the community at large.

Our further progress has been the inducting of NHIF patients to our portfolio since 2024, as a result of which various facilities have to be expanded.

In that respect we request your good office to amend the Certificate of Incentives to include one new shareholder and adjust the others as shown in the recent BRELA search (copy enclosed) who are;

	No of shares	Nationality	%ge
Masood Ali Kheraluyala	1000	Indian	0.7

Based on the above new shareholder plus additional shares issued to existing shareholders our revised shareholding pattern as per BRELA status report will be as follows:

	No of shares	%
Murtaza Zakirhussein Alibhai	79640	59.2
Moiz Jafferli Morbiwalla	43185	32.1
Hussein Sheikh Mufaddal Hassanali	3360	2.5
Murtaza Ayman Gulamhusein	3360	2.5
Aqeela Mustafa	4000	3.0
Masood Ali Kheraluwala	1000	0.7

SAIFEE HOSPITAL TANZANIA

We therefore herewith apply for the Amendment of our TIC certificate and in this regard enclose the following for your kind perusal.

1. Original Certificate - Annexure I
2. BRELA report confirming current shareholders - Annexure 2
3. Progress Report of the Project - Annexure 3
4. Photographs - Annexure 4
5. Board Resolution - Annexure 5

We appreciate your valued co-operation during the issuance of the certificate and look forward to a similar co-operation.

Yours faithfully,

For Saifee Hospital (TANZANIA) Limited

Masood Ali Kheraluwala
Director

Encl: as stated above
